

Field Pack Organic Broccoli

- Broccoli has been known in the Mediterranean region for centuries, however, it is relatively new to the United States. It was introduced by Italian immigrants in the 1920s.
- Popular with consumers across many types of cuisine, it is known for being easy and quick to prepare.

- Broccoli is low calorie, low sodium, and is a good source of vitamins A, C and folate.
- Shipping December - March from Yuma, AZ.
