

# Value-Added Foodservice Arugula

- Arugula is one of the most popular lettuces within a salad, due to its peppery flavor and delicate texture.
- For added freshness and a unique flavor twist, add arugula as a topping to soups, sandwiches, and pizzas.
- One serving of arugula provides a good source of vitamins A, C and calcium.

- Available year-round, shipping from California and Arizona seasonally.
- Thoroughly washed.
