Cauliflower's reputation as a versatile, go-to vegetable is wellearned! Roasted, steamed, sautéed or simply fresh, this is one crucifer that will go the distance, and in a big way. Its mild flavor can be enjoyed on its own, or enhanced with a variety of seasonings and sauces.

- Cauliflower is low calorie, is a good source of vitamin C, and one serving provides a good source of fiber.
- Available wrapped or unwrapped, UPC or clear.
- Shipping seasonally from Salinas, CA and Yuma, AZ.
