

Value-Added Retail Brussels Sprout Chips

- North America's largest Brussels sprouts supplier brings convenient, value-added solutions to the category.
- These tender, nutritious chips have loads of flavor, and are great for adding to pasta, tossed into salad, and roasting!

- Brussels sprouts are a good source of vitamins C, K, and folate.
- Available in 10/10oz pack
- Thoroughly washed and ready to use
- Shipping from California and Arizona seasonally
