

Value-Added Foodservice

# Kale Spinach Blend

- This power blend combines two nutritional stand-outs, kale and spinach.
- Nutrient-rich, this blend provides a good source of iron, potassium, and vitamin E. It offers an excellent source of vitamins A, C, and K.

- Diversify menu offerings with this hard-working blend: smoothies and shakes, appetizer and main course salads, as well as lightly sautéed sides are all options.
- Available in 4/1lb foodservice pack.
