

# Value-Added Foodservice Cauliflower Rice

- Chopped, thoroughly washed cauliflower provides easier, safer meal prep.
- Cauliflower rice expands menu options! Use as a low-carb, nutrition boosting alternative as a pizza topping, burrito filler, or steamed side.
- Cauliflower rice is an easy substitution for grain rice, with similar cooking and steaming attributes.
- Good source of vitamin B6, pantothenic acid, vitamin K and folate.

- Excellent source of vitamin C, low calorie.
- Shipping from California and Arizona
- Available in 6/2lb foodservice packs
